

THE GRAND LODGE OF SASKATCHEWAN
Office of the Grand Secretary Ancient, Free and Accepted Masons

To be the Fraternal Organization of choice for men in the Province of Saskatchewan

July 12, 2021

Brethren:

The Saskatchewan Health Authority has lifted all COVID-19 restrictions effective July 11, 2021. This means we can resume all pre-COVID Lodge activities, including the conferral of all degrees; however, we must remain cautious and mindful that COVID -19 has not disappeared and still poses a threat to some brethren and their families.

I strongly recommend the continuation of practicing good health hygiene by:

- Washing your hands frequently and avoid touching your face.
- Covering your mouth and nose when coughing or sneezing.
- Staying at home if you feel unwell.

Each Lodge may want to implement their own health guidelines as they see fit. Masking and social distancing are no longer required but are still optional. Some brethren will not be ready to meet without a mask or social distancing. Please be respectful of everyone's comfort zone.

I would like to thank and congratulate everyone for your patience this past year and for pulling together in true Saskatchewan spirit to reach the benchmarks required to reopen the province.

I wish you and your families the best, and I hope you have a relaxing summer.

Stay safe and happy.

Fraternally,

MW Bro. Dan Olmsted
